Delivery info

Orders placed now will be ready in about 30 minutes. Please note that our services are available exclusively from 08:00am to 05:00pm everyday

Ingredients

Ingredients for biryani vary according to the region and the type of meat and vegetables used. There are many types of biryani, whose names are often based on their region of origin. Biryani is the primary dish in a meal, while the pulao is usually a secondary accompaniment to a larger meal.
